

**LILLIAN PAINTER HOGE**  
**10-17-1885 to 5-17-1981**

On May 17, 1981 Lillian Painter Hoge, one of the charter members of the Friends Meeting of Washington, died at the age of 95 in Woodston, New Jersey.

Until 1951 Lillian Hoge and her husband Eulysses Hoge had dual membership in the Friends Meeting of Washington and in Philadelphia. In October 1951 their memberships were transferred to the Washington Meeting.

In 1956 their 50th wedding anniversary was celebrated. Several years later (1960) Eulysses died. Lillian Hoge continued to live in Washington for some time. In 1968 she gave the 18th century Friends marriage certificate, a family heirloom, to the Meeting. It has been framed and is hanging in the Meeting parlor.

In the 1970's Lillian Hoge moved to Woodston, New Jersey. She is remembered by those who knew her as a warm and loving person. Neither miles nor years dimmed her interest in the Meeting, and those who have known her only through letters found correspondence with her a rewarding experience.
