

EARL DONALD FOWLER
1890- 1984
ADA ELIZABETH FRAZEUR FOWLER
1893-1982

In the late 1930's, just a few years after the Friends Meeting of Washington was established, Earl and Ada Fowler and their boys became members. They were an active and integral part of the young Meeting.

The family attended Meetings for Worship regularly, served on committees, and participated in the various activities, helping to formulate and shape the new Meeting, until they moved from the Washington area to Albany, Georgia, in 1950.

They had an inner strength of character, understanding, compassion, strong convictions and principles, all of which they exemplified through their daily living. They were quiet and unassuming; their faith and belief in God was an inspiration to all who knew them and worked with them. This was true not only in their religious lives, but in all their daily contacts.
