

ELIZABETH HOPE MEYERS
6-25-1948 to 6-2-1980

It was with sorrow that we learned of the death of our member, Elizabeth Hope Meyers, in California on June 2, 1980, three weeks before her 32nd birthday. The sorrow was tinged with regret that we had not been able to know her as she grew into a young woman.

With her father and younger brother, she became a member of our Meeting at the age of four, and it is as a sparkling first-day school student here and in Bethesda Preparative Meeting that many of us remember her with fondness. She brought joy to our lives.

We were gratified in recent correspondence to learn that she valued highly her memories of her years with us, as well as a later time with Friends in London. She also told us of highlights of her life since, in Bennington, Vermont, San Francisco, and the Los Angeles area, where she died in the hospital in which she had worked.

We are grateful for the opportunity to have known her in those early, formative years, even as we mourn the lost opportunity to welcome her back into our community.
